All these vehicles are made in the United States or Canada by members of the United Auto Workers (UAW), Canadian Auto Workers (CAW) or International Union of Electrical Workers-Communications Workers of America (IUE).

Because of the integration of U.S. and Canadian vehicle production, all these vehicles include significant UAW-made content and support the jobs of UAW members.

However, those marked with an asterisk (\*) are sourced from the United States and another country.

When purchasing one of these models, check the

Vehicle Identification Number (VIN). A VIN beginning with 1, 4 or 5 identifies a U.S.-made vehicle; 2 identifies a Canadian-made vehicle.

Not all vehicles made in the United States or Canada are built by union-represented workers. The Toyota Corolla, for example, is made in the United States by UAW members, but the Canadian model is made in a nonunion plant and other models are imported from a third country.

To order copies of the 2009 union vehicle buying guide, contact the UAW Purchasing Department, 8000 E. Jefferson Ave., Detroit, MI 48214, (313) 926-5221.
